- 14:00 – 18:00: DEC - Students Work (Claes Eskilsson)
- 18:00 – 20:00: *Goodbye*

## Practical Matters

General:

As planned for now, the professional part of the program includes lectures at the Civil Engineering Department (DEC) and the Department of Chemical Engineering (DEQ), as well as field work and student exercises.

As for leisure activities, some of the planned parts of the program are visits to the Mondego river, the University of Coimbra Library, the Figueira da Foz estuary at the coast, lessons in surfing, and several dinners.

Housing: Hotel ibis Coimbra Centro

- Address: Avenida Emidio Navarro n°70, Edifício Topazio, RNET No. 281  
3000-150 COIMBRA
- Map: <https://www.google.com/maps/place/ibis+Coimbra+Centro>
- The hotel should be approx. 12 minutes by car from the University Campus II (Polo II), where part of the professional program will take place.

University Campus II (Polo II):

- Address: Rua Pinhal de Marrocos, 3030 Coimbra
- Info: <https://www.uc.pt/en/sobrenos/spaces/#campus-ii-polo-ii>
- Map: <https://www.google.com/maps/d/viewer>
